Outreach of The Cunningham Project.

The entire congregation is invited. More information coming soon.

Thank you for the prayers, support, and encouragement. It really means a lot that we have people out there rooting for our family. It has taught us a great deal of things. Always keep faith. We know God answers prayers, maybe not as fast as we like, but we know they are getting answered. Also, to love one another. You never know what someone is going through, facial expressions can be misread. When you know something is wrong, reach out and take care of yourself. Thank you for everything. We are very blessed.
God Bless, Misty & Matt Curry
