2019 tax return

Just a reminder that all checks given to the church which you want to count on your **2019 tax return** must be in the office or contribution **on or before December 31, 2019**. The law does not allow us to issue tax receipts for 2019 for anything received after December 31, 2019, even though it may be dated 2019. The only exception would be if we were to receive money in the mail postmarked on or before December 31, 2019. (Tax receipts will be sent out for individual checks of \$250 or more by January 31, 2020.) You may also access your giving statement at any time through our online database (or call the office for a copy). Go to your profile, click Involvement, click the three dots to the right of Financial & click Giving Statement.
